

October 21, 2009

Dear Parent or Guardian of Middle and/or High School Student(s):

With the change in the length and configuration of the school day at the outset of the 2009 – 2010 school year, clubs and activities take place either before or after school. Thus, in an effort to permit students to be involved in such worthwhile opportunities, the District has introduced an after school bus run for students who stay for clubs and other activities. This bus run leaves the Cocksackie Campus at 4:30 p.m. on the second and fourth Tuesday and Thursday of each month. The only exception will be during the month of April 2010, when this bus will run on the second and fourth Tuesday, and the third and fifth Thursday.

Thank you for your kind attention in this matter.

Sincerely,

Earle S. Gregory, Ed.D.
Superintendent of Schools
