

Visit of Congressman Scott Murphy

New York, 20th District Congressman Scott Murphy visited Coxsackie Elementary School on Thursday, April 1, 2010. He was introduced to children in the Kindergarten classes of Mrs. Janice Clouthier and Mrs. Caroline DiStefano, Second Grade class of Miss Jean Cardany, and Fourth Grade class of Mrs. Melissa Durant. Children demonstrated use of SmartBoards and Document cameras during classroom lessons. Congressman Murphy gave children an opportunity to learn about his work as a member of the United States House of Representatives. He was impressed with how teachers and children used technology and noted that the district was out in front of other districts in its use of instructional technology.
